

Maximize Your GLGA Membership

Earn a 2% Rebate

GLGA and RAM Recycling have Partnered to Provide Members a 2% Rebate on Recycling

How It Works:

- Contact Tony Duckert at RAM Recycling today to receive a competitive quote on recycling services.
- Once you come to an agreement with RAM Recycling, you are automatically registered for the program.
- At the end of January each year, you will receive an additional 2% rebate bonus. The 2% rebate bonus is calculated based on the total amount RAM Recycling paid you during the previous year. Example: A GLGA member that receive a total of \$100,000 in rebates from RAM Recycling throughout the previous calendar year will earn an additional \$2,000 rebate bonus.

Only GLGA members in good standing are eligible to participate in the group recycling program. Program terms and conditions apply.
