## ABOUT THE SCHOLARSHIP PROGRAM

The Illinois Graphic Communications Scholarship Consortium (IGCSC) is made up of the Great Lakes Graphics Association, the Chicago Lithographers Club, the Ben Franklin Club and the Graphic Communications Guild, and is a subcommittee of GLGA's Illinois Education Task Force headed by Chairman Dan Wilson, Professor - Coordinator of Graphic Communications, Department of Technology at Illinois State University.

The scholarships are intended for students in Illinois seeking continuing education in the graphic communications field. Candidates must be enrolled in a graphic communications program or have been accepted into a program.

The application deadline for the IGCSC scholarships was March 1, 2015, and more than 20 applications were received. The IGCSC group met at Harper College on April 17, 2015, to review all scholarship applicants and make awardee rankings/selections. Each member group determined the level of the scholarship gift as well as the number awarded based on the applications.

Profits received from the Chicagoland Printers Scholarship Golf Outing, the Great Lakes Graphics Association Education Foundation and the Calumet Ben Franklin Club fund these Illinois scholarships.
