Graphics Excellence  
AWARDS

2020 CALL FOR ENTRIES

## CELEBRATE PRINT!

The Great Lakes Graphics Association proudly invites you to participate in the 2020 Graphics Excellence Awards Competition!

This annual competition honors superb craftsmanship in the design, creation and production of top-quality printed material.

The Graphics Excellence Awards Competition is one of the largest regional affiliate print competitions in North America and is intensely competitive. A win in the GEAs means you have created truly outstanding work. GEA winners who are member companies are automatically entered at the national level into the PIA Premier Print Awards. In just the last five years, GLGA members have won more than 100 Best of Category (Benny) statues and a Second Runner-Up honor, proving just how outstanding the quality of work the companies in our region produce. When you compete in the Graphics Excellence Awards, you compete with the best.

## WHO SHOULD ENTER?

The Graphics Excellence Awards competition is open to anyone in the graphic arts industry. This includes printing and postpress companies, design firms, ad agencies, in-plant printing operations, trade houses and students. **NOTE: You do not need to be a member of GLGA to enter the GEAs.**

## BENEFITS OF WINNING

- A uniquely designed framed award, plaque or certificate
- Publicity kit to promote your win(s)
- Template for press releases to local media
- Authorized use of the 2020 GEA logo in your company's marketing materials
- Opportunity for personalized congratulatory letters sent to your clients by GLGA's president
- Opportunity to order additional awards personalized for your clients
- Best of Category winners are entered into PIA's Premier Print Awards for free (a GLGA member-only benefit)

## HOW MANY PIECES CAN BE ENTERED?

As many as you'd like! There is no limit to the number of entries from any one company or individual. The same piece may be entered into more than one category as long as it meets the criteria for every category in which it is entered. GLGA reserves the right to re-categorize any entry if it is determined that the entry may be judged more fairly by being placed in a different category.

## HOW IS JUDGING CONDUCTED?

The team of judges is comprised of experts in the graphic arts industry. An entry is judged first on technical expertise and the quality of printing, then on design features and overall graphic appeal. Any entry with visible technical flaws will be disqualified from the judging - so please check your samples carefully!

## HOW TO ENTER

Select three un-mounted copies of the pieces to be entered for each category. Complete the GEA Master Form and attach the appropriate I.D. tags. ***Make sure you check out the GEA Easy Entry System for improved ease of entry.*** Keep additional copies for your own promotional use.

# Award Levels

## BEST OF SHOW, RUNNER-UPS & BEST OF STATES

A photo taken at the Awards Celebrations featuring the company representatives with the award will be highlighted on the GLGA website and in GLGA publications.

## BEST OF CATEGORY

The Best of Category is awarded to the most outstanding entry in each category. The entry must be flawless to win. Given this high standard, every category may not have a winner. ## BEST OF DIVISION
